Nick Mayer Chevrolet of Dickson — Brand Guideline

Reconstructed from existing sources on 2026-07-17. Every value is traced to its source; open questions are listed for the brand owner. Confidence: H (primary source), M (secondary), I (inferred).

*Primary source: the dealership **homepage** (`sources/home.html`, captured 2026-07-17), a **DealerOn** site. **Sister-store note:** this is the Chevrolet franchise of the same Nick Mayer group as **Nick Mayer Buick GMC of Dickson** — both share the address **2211 Highway 46 South, Dickson, TN**, one combined Facebook page, and one YouTube channel, but each runs its own DealerOn site (dealer-30407 here vs dealer-31568 for Buick GMC), its own sales line, and its own theme color. This resolves the "Chevrolet" flag raised in the Buick GMC guideline: it's a co-located multi-franchise group, not a naming error. **OEM caveat:** the site's near-black + blue scheme is the **dealer's DealerOn theme**, not Chevrolet's authoritative brand (the gold bowtie + Chevrolet brand blues).*

Open Items — for the brand owner (`[NEEDS INPUT]`)

1. **Group / NAP setup.** Confirm each co-located franchise (Chevrolet + Buick GMC at 2211 Highway 46 South) has its own Google Business Profile, name, and phone; decide whether the shared "Chevrolet Buick GMC" Facebook page is intended per store.
2. **Chevrolet (OEM) brand standards.** Provide Chevrolet's gold-bowtie lockup rules and official brand palette — the site's near-black/blue is the **dealer DealerOn theme**, not OEM color.
3. **Typography.** Name the two Typekit families (`gpc7ewp` , `hrx7xqc`); Lato is confirmed for body.
4. **Phone departments.** Confirm Service and Parts numbers vs the main Sales line (615-570-4106).
5. **Dealer brand kit.** Vector dealer logo/lockup files and confirmation of the "Best … in Tennessee" claim (superlative claims may need substantiation).
6. **Type scale, imagery, iconography, grid.** Supply the design-system/DealerOn theme values.

This guideline is Nick Mayer Chevrolet of Dickson's own document, reconstructed for review. It is not an internal QA report. The site's color values are the dealer's DealerOn theme (real tokens, not Chevrolet's OEM palette); Lato is the confirmed body font; and this store is the Chevrolet sister to Nick Mayer Buick GMC at a shared address. Confirm the `[NEEDS INPUT]` items before treating any value as final.
