Nick Mayer GMC Lewisburg — Brand Guideline

Reconstructed from existing sources on 2026-07-20. Every value is traced to its source; open questions are listed for the brand owner. Confidence: H (primary source), M (secondary), I (inferred).

Primary source: the dealership homepage (`sources/home.html` , captured 2026-07-20), a **DealerOn** site (dealer id `dealer-31114`) on the **GMC OEM** brand system. The page exposes DealerOn theme tokens in `:root` (`--main-color` , `--cta-*`) and serves real brand fonts, so the site's own color/type values are readable. One secondary source; OEM-governed brand assets (GMC's own guidelines) are noted where the site cannot be authoritative. No primary brand PDF was supplied.

Note — dual-brand rooftop: the site carries both **GMC and Buick** logos and the group Facebook handle is "NickMayerChevyBuickGMC," so this store is the GMC/Buick side of the Nick Mayer Chevrolet Buick GMC group.
